TO WHOM IT MAY CONCERN

As a person with many years experience in a variety of businesses, I had a long running legal dispute with a couple who owed me money, resulting in their bankruptcy.

I appointed David Hambleton of R.E. Murphy & Co to act as their Trustee. He and his staff quickly moved to assess their circumstances, sold two properties for good prices in a difficult market, undertook a public examination, reported one of the bankrupts for breaches of the Bankruptcy Act, and returned to creditors dividends of more than 90 cents in the dollar.

I was impressed by their timely actions, professionalism, focus, investigative skills, and in particular, their determination to secure a return for creditors.

Yours sincerely

John Donnelly
